

BOOST-RITE®

BOOSTER PUMP

Advanced impeller technology cuts pressure-side cleaning costs by over 25%*.

Pressure-side pool cleaning just got a whole lot less expensive thanks to the eco-friendly Boost-Rite pump from Pentair. This innovative design saves pool owners more than 25% in energy costs over other booster pumps on the market. With an advanced 5-stage impeller design, the Boost-Rite pump delivers greater water pressure for more powerful and efficient cleaning...at significantly less cost.

Power up your pressure-side cleaner now with a Boost-Rite pump. You'll save money with every cleaning—and enjoy all the performance your pool cleaner was designed to give you.

*Actual energy usage may vary based upon plumbing size and length and other hydraulic factors.

PENTAIR.COM

BOOST-RITE® BOOSTER PUMP

Engineered for superior all-around performance.

The Boost-Rite pump delivers more of what you want—lower energy consumption, top performance, easier installation, quieter operation, and greater durability.

OTHER KEY FEATURES:

Larger fittings

1" fittings are 75% larger in area, for better flow and greater efficiency.

Quieter operation

For a more relaxing poolside experience.

Greater durability

Totally Enclosed Fan Cooled (TEFC) motor runs cooler for longer pump life. And an improved shaft and bearings for more robust design.

Condensed size

One-third smaller than competing pumps, taking up less space on the equipment pad.

Easier Installation

One-third smaller than other pumps so it's easier to handle and plumb, yet thoughtfully includes a larger wiring compartment for easier access.

TEFC motor

Totally Enclosed Fan Cooled (TEFC) motor design allows the pump to run cooler and quieter.

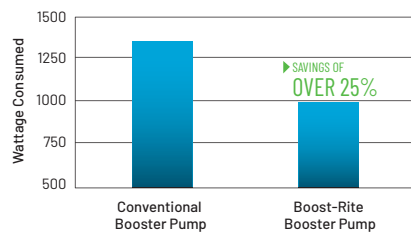

More power

Delivers greater water pressure for more powerful cleaning...at less cost.

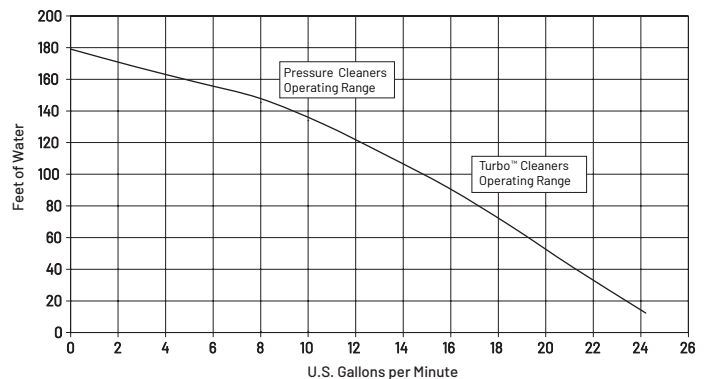

UL and cUL Listed for safety

Pumps and replacement motors that are single speed and one (1) Total HP or greater cannot be sold, offered for sale, or installed in a residential pool for filtration use in California, Title 20 CCR sections 1601-1609.
